

### Courses Accepted as Phi Beta Kappa Arts and Science Courses (July 2016)

Also any 600-level course in the general Arts and Sciences fields, except 684, 685, 690, 692, 695, or 697 courses. The determination of the particular category (Humanities, Natural Science, Math) to which the course applies will be made on a case-by-case basis.
