

Change of Curriculum Information Sheet

Major (full name): Chemical Engineering

Acronym (e.g. ANTH): CHEN **Track (if applicable):**

Department: The Artie McFerrin Department of Chemical Engineering

College/School: College of Engineering 

Contact Name: Chon Brooks

Contact Email: cubrooks@tamu.edu

Min. Overall GPA: 3.2 **Min. Degree Progress Hours** 24 **Max Degree Progress Hours** 80

Required Coursework

Course	Hours	Grade Requirement (if applicable)
CHEM 120	4	B
ENGL 104	3	B
MATH 152	4	B
PHYS 206	3	B
PHYS 207	3	B

Preferred Coursework

Course	Hours	Grade Requirement (if applicable)
CHEM 227/237	4	B
CHEM 228/238	4	B
ENGL 210	3	B
MATH 251	3	B
MATH 380	3	B

Additional Requirements

We understand that Math and Physics can be difficult and will take into account the course combinations and locations from where courses are attempted.

Max degree progress hours do not include hours earned prior to first term at the university. Therefore hours such as Dual and AP credits do not count towards that limit.

Any grades of C's in prerequisite courses might have an impact in the review process. We recommend speaking with an advisor prior to placing your application in.
